About Love Oakdale

Love Changes Everything.

Love Oakdale's mission is to inspire our community to love one another by building connections, practicing generosity, and volunteering together. We work towards our mission by serving our community in these ways:

- Assisting neighbors in need
- Helping our city with clean up and beautification projects
- Partnering with local non-profit organizations
- Supporting our small business community
- Serving our local schools
- Connecting volunteers with service opportunities
- Creating and supporting citywide events that unite Oakdale and strengthen our community

* Love Stanislaus County

Love Oakdale is part of the Love Stanislaus County network. What started as a single spark in Modesto in 2007 has grown into a county-wide mission, bringing neighbors together in many local cities.

Concert in the Park (nine concert series)

Oakdale's beloved annual Concert in the Park series is entering a new season of growth with the event now being hosted by Love Oakdale. We couldn't be more excited!

The vibrant, family-friendly event our community looks forward to each summer will be held in the same location our community knows and loves, Dorada Park. The season has shifted to the months of June and July with new exciting opportunities for patrons, partners, and sponsors at each of our **NINE** concerts this summer.

While preserving the heart, spirit, and tradition that makes the event so special, fun additions like weekly competitions for concert goers, a 7' x 14' video wall, and an expanded food truck and vendor area will take the series to the next level. With these exciting changes come incredible opportunities for local businesses to be promoted when they join us as a sponsor.

This series is more than entertainment - it is:

- A high-visibility community gathering
- A family friendly event drawing hundreds of attendees per night
- A celebration of local businesses and pride in our city
- A powerful brand positioning opportunity
